

# Presenting our Most EXCLUSIVE FACIALS!!!

## "Repêchage Four-Layer Facial<sup>®</sup>"

Premier anti-aging treatment which Cosmopolitan UK called "...the best facial of the Century..." Experience layer upon layer of pure, fresh European seaweed to rejuvenate, tone and help firm the skin dramatically.

Layer 1: Seaweed filtrate is a concentrate of freshly-harvested seaweed. It softens lines, adds moisture and helps rebalance and tone skin tissues.

Layer 2: A three-movement facial massage is given with a creamy hydrating formula. Lasting benefits include improved circulation and skin elasticity.

Layer 3: The fresh seaweed mask is the cooling and soothing treatment that hydrates while improving skin tone and clarity.

Layer 4: The mineral mask is the grand finale. It creates its own gentle warmth to activate the properties of the seaweed mask beneath it.

The results are impressive: younger-looking skin with visibly renewed moisture and an afterglow that lasts. Just touch your skin, and feel the difference.
